Student Testimonials

**Emma,
Graduated Student**

“The hands-on experience in this Lash Program was incredible. I love my bag! I came into this program not confident at all and very frustrated with lashing, after spending money and taking a different program. I really can't thank them enough. It's been an absolute pleasure. Thank you to the staff as well.”

**Michelle,
Graduated Student**

“The course was great, the schedule was wonderful, and the teachers & staff were supportive and knowledgeable!”

“I loved meeting new people! It was nice that the school provided ALL supplies while we were in school and then gave us a full kit the day we graduated.”

**Mia,
Graduated Student**

“Not having to stress about the expense of supplies while in school is very nice. This school has some amazing teachers who truly care and help.”
